Woolly Dolls— Handmade dolls were very popular in the 1800s for both boys and girls. Many were made of paper. Come along to this session and make yourself a cuddly wool doll. These are great to play with or as decorations for your room.

Penguin Softie — Before Ken and Barbie, cuddly soft toys and unbreakable play buddies were a child's best companion. Use a pattern and an array of materials to make your very own penguin soft toy.

Whale Talk - Why are Southern Right Whales so special and endangered? Find out with Researcher Mandy Watson from the Department of Environment, Land, Water and Planning in this fun and educational talk.
